St. Lucie County, FL – The Florida Department of Health in St Lucie County, WIC program continues to welcome families. In order to limit exposure and help prevent the spread of COVID-19, some St Lucie County WIC clients may now receive services over the phone without having to come to one of the WIC office locations.

WIC is a federally funded nutrition program for Women, Infants, and Children who meet income and nutrition risk requirements. WIC provides participants who qualify for the program with the following at no cost: healthy foods, nutrition education and counseling, breastfeeding support, and referrals for health care and community services.

Please call one of our offices:

St. Lucie West WIC office: 772- 785-6124 | Fort Pierce WIC office: 772- 462-3900

To speak to a WIC representative for more information.

This institution is an equal opportunity provider.
