Exclusive Healthcare Workers ONLY COVID Vaccine Clinic

St. Lucie, County – On Saturday, Jan. 9, Florida Department of Health in St. Lucie County is partnering with St. Lucie County Public Safety, St. Lucie County Sheriff's Office and St. Lucie Fire District to hold a vaccination clinic for healthcare personnel with direct patient contact at the St. Lucie County Fairgrounds, located at 15601 Midway Road in Fort Pierce from 9 a.m. until 3 p.m. or if vaccine runs out. You must have a valid government issued ID, proof of employment as a healthcare professional (e.g. ID Badge) and a mask.

Due to the limited supply of vaccine, this event is for healthcare personnel only. Residents interested in receiving the vaccine should contact their primary care physician.

Residents are encouraged to register with Alert St. Lucie (www.stlucieco.gov/alert) if they wish to receive updates on when additional vaccines will be available.

Please continue to follow COVID-19 guidelines by practicing social distancing, wearing facial coverings and frequently washing your hands.

About the Florida Department of Health

The department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts. Follow us on Twitter at [@HealthyFla](#) and on [Facebook](#). For more information about the Florida Department of Health please visit www.FloridaHealth.gov.
