

Mission:

To protect, promote & improve the health of all people in Florida through integrated state, county & community efforts.

Vision: To be the **Healthiest State** in the Nation

NEW BUSINESS LOCATION

Is this business in a Commercial Location?

A Hazardous Waste Screening is Required to be completed at the Florida Dept. of Health.

Is this business in a Residential Location?

Yes, but my residence is **only an office.**

A Hazardous Waste Screening is NOT required.

I operate the business at my home and, I generate or dispose of the one or more of the following at my home:

- Hazardous wastes (ie: Batteries, Solvents, Paint Products, Cleaning Solvents, Pesticides, Used Oils, and Petroleum Based Products)
- Biomedical Waste (Sharps or Red Bag Waste)

A Hazardous Waste Screening is Required to be completed at the Florida Dept. of Health.
